G-105

The background of the entire page is a high-resolution image of a pink marble surface. The marble has a complex, organic pattern with various shades of pink, from light blush to deep rose, and some darker, almost greyish veins. The texture is highly detailed, showing the natural grain and veining of the stone. The image is divided into three horizontal sections by thin, dark lines, suggesting it might be a close-up of a tiled wall or a large slab of stone.

G-114

The background of the entire page is a high-resolution image of a marble surface. It features a complex pattern of organic, swirling shapes in various shades of brown, tan, and cream. The texture is highly detailed, showing the natural veining and grain of the stone. The lighting appears to come from the upper left, creating subtle gradients and highlighting the surface irregularities.

G-118

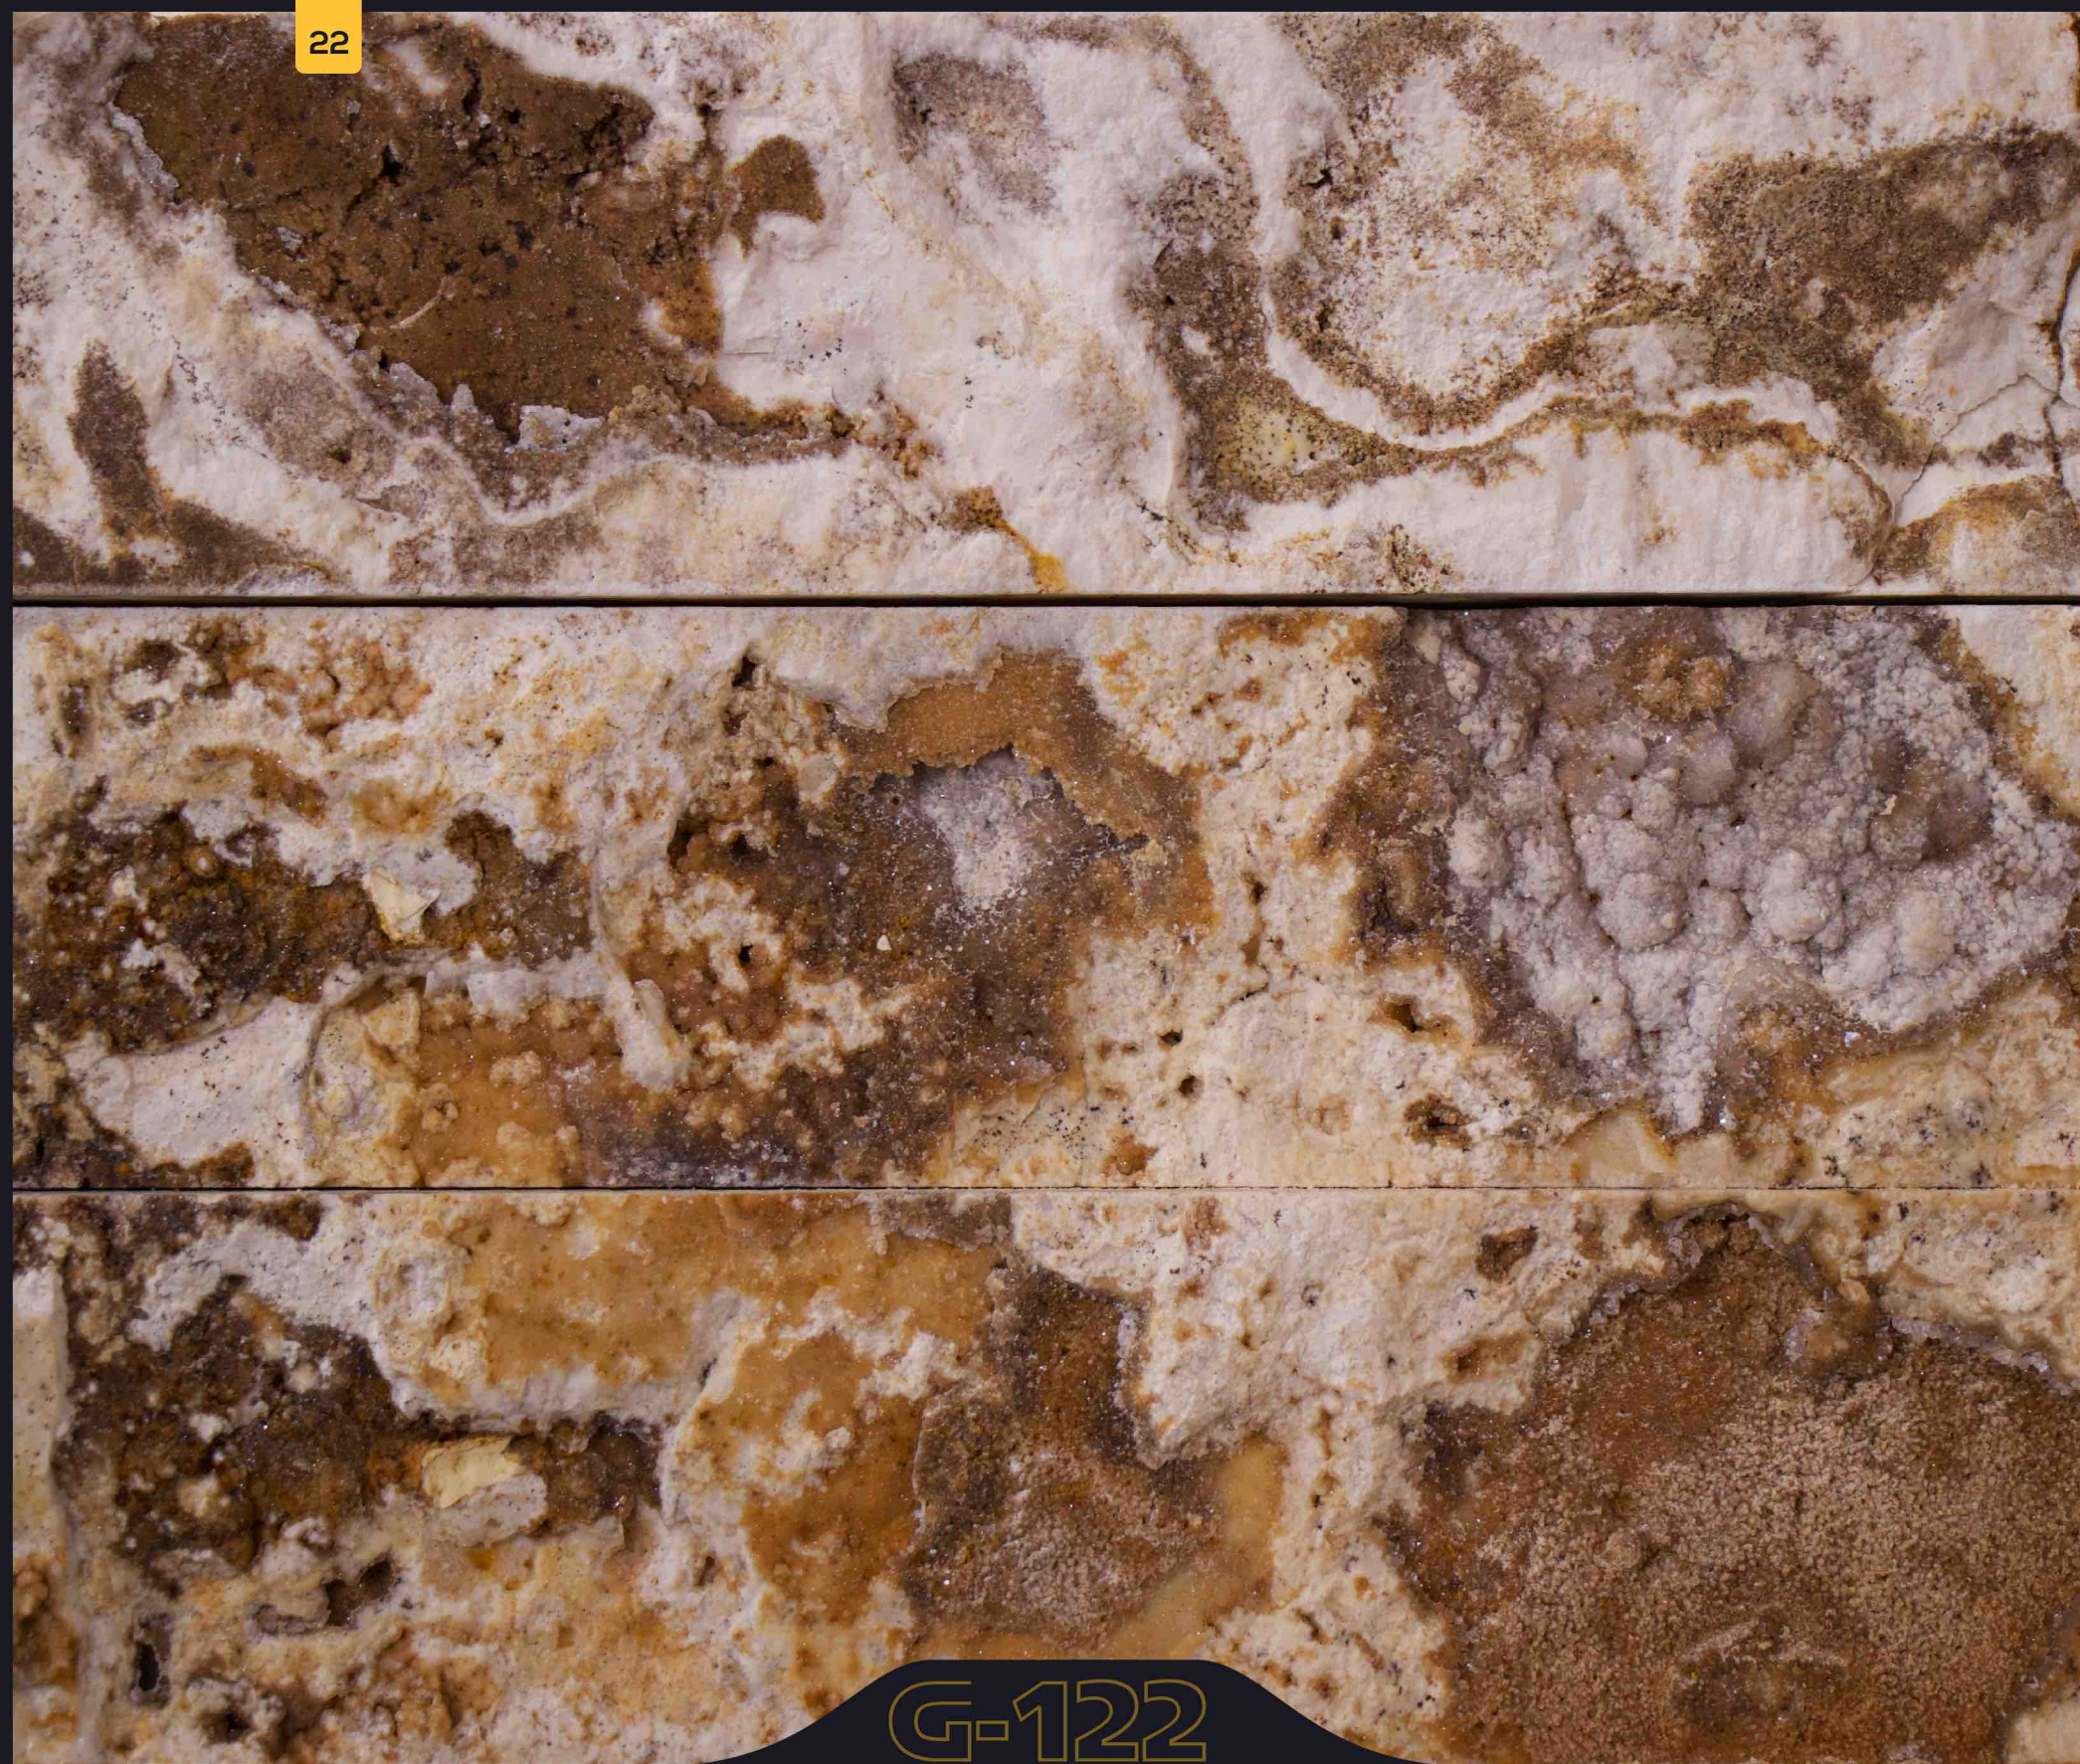

The background of the entire page is a high-resolution image of a dark, speckled marble or granite surface. The texture is complex, with various shades of grey, black, and white. A prominent, dark, wavy vein runs diagonally across the middle of the image. The overall appearance is that of a natural stone surface.
